IN THE SUPREME COURT OF INDIA
CIVIL APPELLATE JURISDICTION
CONTEMPT PETITION NO.144 of 2014

IN

WRIT PETITION (CIVIL) NO. 494 OF 2012

IN THE MATTER OF:

Mathew Thomas & Anr.

... Petitioners

VERSUS

Vivek Rae & Ors.

... Respondents

ADDITIONAL AFFIDAVIT ON BEHALF OF THE

PETITIONERS

I, Mathew Thomas, son of Late T.P. John, R/o No.18-A, Adarsh Vista, Basavanagar, Bangalore-560037, Karnataka, presently at present at New Delhi, do solemnly affirm on oath and state as under:-

1. That I am the Petitioner in the aforesaid Contempt Petition and as such I am well conversant with the facts and circumstances of the case and hence I am competent to swear this Additional Affidavit.
2. It is respectfully submitted that the Petitioner is filing this Additional Affidavit to bring on record the Affidavits consisting of statements of poor slum dwellers residing in Bangalore who were either denied services or were threatened with denial of services due to non-availability of Aadhaar

numbers. As a consequence of continuing insistence on Aadhaar, few residents have enrolled themselves unwillingly for the purpose of availing basic services like LPG Gas connections, ration cards etc. That these signed Affidavits were obtained by the present Petitioner after explaining to the deponents about the current aadhaar legal proceedings and the consequences thereof. The Petitioner is also filing few other Affidavits obtained from Deponents outside Bangalore. It is further submitted that these affidavits are relevant for this case for the sake of convenience of this Hon'ble Court during the course of hearing of this Appeal.

3. It is respectfully submitted that there has been willful & deliberate disobedience and violation of the Order dated 23-09-2013, passed by this Hon'ble Court in Writ Petition (C) No. 494 of 2012, by the Contemnors/ Respondents. The Court had passed the following order:-

"In the meanwhile, no person should suffer for not getting Aadhaar Card in spite of the fact that some authority had issued a circular making it mandatory and when any person applies voluntarily, it may be checked whether that person is

entitled for it under law and it should not be given to any illegal immigrant."

The copy of the Order dated 23.09.2013 passed by this Hon'ble Court in Writ Petition (C) No. 494 of 2012 is annexed herewith and marked as **ANNEXURE A-1** [Pages 12-14]

The orders passed thereafter which repeat and reiterate the contents and spirit of the order dated 23.09.2013 have also been violated.

4. That on finding that the Respondents were continuing to violate both the directions, the Petitioner filed a Contempt Petition No. 144 of 2014 before the Hon'ble Supreme Court. The Ld. Solicitor General assured that the government would adhere to the Court's Order and produced a letter issued from the government addressed to him stating that instructions have been issued not to insist on "Aadhaar" for government services, such as subsidized LPG. Upon such assurance, this Hon'ble Court ordered that the contempt petition would be heard along with the main petition. The copy of the Order dated 30.04.2014 passed by this Hon'ble Court in Contempt Petition 144/2014 in W.P. (C)

4

No.494/2012 is annexed herewith and marked as

ANNEXURE A-2 [Pages 15 - 19]

5. It is submitted that the facts and circumstances stated in the Contempt Petition may kindly be read as part and parcel of the present Application as the same are not being repeated herein for the sake of brevity.
6. It is submitted that though the alleged basic purpose for issuing Unique Identification Number "Aadhaar" was to help the poor who do not have identities to avail government subsidies to survive, in reality the subsidies are being denied to all citizens for want of enrolment. In other words, in order to avail such benefits, the customers have to enroll and link their Aadhaar numbers with their bank accounts. It has been made compulsory through both direct/ indirect means and incentives, thereby giving the lie to the claim of its voluntary character. It is being covertly pushed to the entire population using the coercive power of State and its agencies. That by doing so, the Government's intention to enroll a large number of people is clear, with a view to frustrate the challenge mounted in the Petitioners Writ Petition. If bank accounts,

5

provident funds, mutual funds, gas connections and big financial transactions of citizens are going to need an Aadhaar number, this means the government has forced a unique ID on us indirectly without even legally being entitled to do so. Following Affidavits/documents are annexed herewith as evidence to prove the same, the contents of which I believe to be true:

I say that the tenor of the SMS itself suggest that aadhaar is mandatory, which it is as per information given to me by the bank orally as well; and without which benefits and services is likely to be denied, and is a method to coerce individuals to enroll for aadhaar, even while challenge to its validity is pending before this Hon'ble Court.

UPON hearing counsel the Court made the following

ORDER

The contempt application has been filed
with the grievance that the order passed by this

Court on 23rd September, 2013 is not being complied with and the respondents had been asking for collection of biometric and demographic data of all personnel for assessing the UID database.

Ms. Aishwarya Bhati, learned counsel for the applicant has submitted that the order passed by this Court is being flouted by the respondents and in support of her case, she has placed reliance upon an advertisement given in the newspapers published from Bangalore asking people to enroll in the UID Scheme to avail LPG subsidy benefits and she has further submitted that the Addhar Card is being given to migrants in the North-East without determining as to whether they are National or anti-National elements or whether they are authorised or non-authorised immigrants and, therefore, action should be taken against the respondents for violating the orders passed by this Court on 23rd September, 2013.

The Court had passed the following order on 23rd September, 2013 :-

"In the meanwhile, no person should suffer for not getting Aadhaar Card in spite of the fact that some

authority had issued a circular making it mandatory and when any person applies voluntarily, it may be checked whether that person is entitled for it under law and it should not be given to any illegal immigrant."

Subsequent thereto, the matter was taken up by this Court on 24th March, 2014 and while dealing with SLP(Crl.) No. 2524/2014 and the Court passed the following order:-

"...In the meanwhile, the present petitioner is restrained from transferring any biometric information of any person who has been allotted the Aadhaar number to any other agency without his consent in writing. More so, no person shall be deprived of any service for want of Aadhaar number in case he/she is otherwise eligible/entitled. All the authorities are directed to modify their forms/circulars / likes so as to not compulsorily require the Aadhaar number in order to meet the requirement of the interim order passed by this Court forthwith."

Be that as it may, in response Mr. Parasaran, learned Solicitor General has submitted that

the authorities have taken appropriate steps to ensure the compliance of orders passed by this Court from time to time and to buttress the said submission, letter dated 25th March, 2014 issued by the Government of India, Ministry of Petroleum and Natural Gas has been produced in the Court which reads as under:-

"I am directed to inform you that as per the decision taken by Govt. on 6th Feb, 2014, DBTL Scheme has been kept in abeyance till further orders in 291 DBTL districts where it was implemented and the system of providing subsidized cylinders to all domestic LPG consumers on payment of the applicable subsidized price for each such cylinder (as applicable in remaining districts of the country) has been reintroduced in all the above DBTL districts.

2. The Govt. has also set up a committee headed by Ex-Director, IIT Kanpur Prof. S.G. Dhande to review the functioning of the DBTL scheme and give its recommendations to the Ministry.
3. In view of the above, it is requested that you may kindly convey the Ministry's decision to

Hon'ble Supreme Court during the course of hearing, if deemed fit."

In view of the above and assurance given by learned Solicitor General, we are of the considered opinion that so far as the contempt in respect of collecting the demographic data for LPG cylinders is concerned, it is not required. So far as the issuance of Addhar card to the illegal migrants is concerned, it requires serious consideration in view of the provisions of the Indian Passport Act and cannot be adjudicated upon in such summary proceedings particularly in view of the provisions contained in Section 6(A) of the said Act which deals with the situation prevailing in the State of Assam. Thus, it is kept open to the learned counsel for the parties to agitate the said issue at the time of final hearing of the matters.

With these observations, IA stands disposed of.

AFFIDAVIT

I, JHANSIRANI, D/o. Late. Mr. Periyamayagam, aged about 38 years, R/o. No. 23, 'C' Lane, Anjanappa Garden, Bangalore -560 018, presently residing at No.330, 'A' Lane, Anjanappa Garden, Bangalore -560 018 do hereby solemnly affirm and state on oath as follows:-

The facts leading to the denial of being enrolled for ration card are set out herein below:

1. I say that I am deposing in this affidavit after I have been denied booking of gas cylinder in the month of January 2014 for not possessing an Aadhaar card.
2. Am a single parent living with my 11 yrs old daughter, Gladys Prarthana in the above mentioned address. Earlier to 2014, I used to book my gas cylinder with my voter id card as supportive document. The gas agency M/s. Devaganga Associates, 5/1, 60ft Road, Basaveshwara Layout, 2nd Stage, Chandra Layout, Vijayanagar, Bangalore - 560040, is the Indane LPG distributor. The booking has to be done through call to customer care (+91-8970024365) of the distributor (attached **Annexure 1**). Last year in the month of January, when I called the customer care to book my cylinder, it did not accept the booking without providing Aadhaar card number. I had approached the agency and pronounced the Supreme Court order on Aadhaar card where it says Aadhaar card

should not be mandate for cylinder booking. But the agent denied and said that I have to follow the instructions on the phone call and give Aadhaar card number to get my LPG cylinder booked.

3. The above situation forced me to apply for an Aadhaar card and got the same in 20 days. The agent took my gas cylinder booking only after submitting the photocopy of the card. Thereafter my bank account was linked and I started receiving the gas subsidy till February 2015. My bank account number is 127000101000626, with Corporation Bank at 212, Lucky Inn, Cottonpet Main Road, Near Majestic, Bangalore (attached **Annexure 2**).
4. After February 2015, the subsidy was stopped, when I approached the LPG distributor, they demanded me to re-submit the Aadhaar card and photo. Soon after submitting the same, I started receiving the subsidy in my bank account.
5. I have been permitted by the Petitioner (Mathew Thomas) in the present case to file the present affidavit before this Hon'ble Court to bring certain limited facts to the notice of this Hon'ble Court.
5. I say that on the 1st day of August, that I enrolled for Aadhaar card as it was the LPG distributor who forced submission to get my gas cylinder and subsidy in my account without fail. That now I can link my LPG

customer id to my bank account to get the subsidy, I request that my biometrics and other data against my Aadhaar card number may please be destroyed.

The copy of my ration card and bank account details has been attached as **Annexure 1** and **Annexure 2** to this affidavit.

The annexure annexed to the present Affidavit are true and correct copies of their respective originals to the best of my knowledge. The contents of the present affidavit have also been read over and explained to me in vernacular.

AFFIDAVIT

I, Devaiah, s/o Ankaiah r/o # 36/130 Nellurpuram, New Tippasandra Post, Bangalore 560075 aged about 65 years, do hereby solemnly affirm and state on oath as under:

1. I say that I am deposing to this affidavit having been denied rations meant for below poverty line (BPL) for the past 3 years for want of UID / Aadhaar number. I have been permitted by the Petitioner in the present case to file the present affidavit before this Hon'ble Court to bring certain limited facts to notice of this Hon'ble Court. I say that I worked as contract worker (unskilled) in Hindustan Aeronautics Ltd. (HAL) for 30 years. I retired in 2000. In 2012 I applied for a BPL ration card and received BPL card No: BLE 100133579, a scanned copy of which I have attached here as **Annexure 1** (two sides, front and rear) to this affidavit. I say that when I went to the ration shop to which I am attached for drawing BPL ration Shop No: HL - 031, in 2012. I was told that I would be given the rations only if I have an Aadhaar card and that I should enroll in the UID / 'Aadhaar' Scheme. I say that I then went to Aadhaar enrolling center and gave my fingerprints and my iris scans was also taken there. I submitted the above ration card, Annexure 1 above, in proof of my identity and address. However, I did not receive the UID / Aadhaar number. When I went to a government kiosk and enquired the UIDAI database using the EID number, which was given to me, I was told that my enrolment has been rejected. Hence, I did not receive the UID / Aadhaar number.

*Devaiah*

47

2. Later the government announced that if the BPL ration cards are linked to RR numbers (electric power meter numbers), card holders would be given rations. I submitted my RR number HL 9376 to the ration card office (Food office). Then I was told that since my brother-in-law, Y Balaiah and my sister live in the same house and we share an electric power meter and have the same RR number and address we cannot get the BPL rations. My brother-in-law's ration card was cancelled even though he has "Aadhaar" number 553977230643. Copy of "Aadhaar" acknowledgement letter of said Balaiah is attached as **Annexure 2** to this affidavit.
3. This year (2015) I came to know that if we link the voter ID to the ration card we will get the BPL rations. I was told to do this at the 'Bangalore One' center. So, I went to the 'Bangalore One' center at Indiranagar at Bangalore in April 2015. That day there was no power. So the center was closed. The next day again I went to the center with my ration card. My ration card has the photos of myself, my wife and one son who lives with us. It is meant for rations for three of us. A scanned copy of my voter ID and that of my son are attached as **Annexure 3 and 4 respectively** (one page each) to this affidavit. I gave my voter ID to the 'Bangalore One' center official. He told me that all 3 voter IDs are required. I had the voter ID of myself and my son. My wife does not have a voter ID. So again I was denied registration of my ration card in the State Government database and I am not being given any BPL rations. The place where I live is a slum colony. There are about 300 or so families who live in this locality. Almost all of us share the same plight. The ration shop here remains closed, always. No one knows when it opens. We have complained to the State Government deputy commissioner in charge of PDS (public distribution system) for this area. However, so far after 4 months nothing has happened. We are denied BPL rations.

"For the kind attention of Hon'ble Mr Justice Chelameswar and companion judges hearing the matter regarding Aadhaar, in the matter of Aruna Roy v. Union of India Writ Petition (Civil) No. 833 of 2013"

16 May 2015

Hon'ble Mr Justice Chelameswar
Supreme Court of India
New Delhi

Dear Sir,

We are writing to bring to your notice a case of violation of workers' right to demand work under the National Rural Employment Guarantee Act (NREGA), for want of an Aadhaar (UID) number.

NREGA entitles all rural households hundred days of manual work a year at the stipulated wage rate. To seek employment, workers are required to demand work. Exercising this right, several workers of Manika block of Latehar district in Jharkhand demanded work in April 2015. However, the administration refused to give work to workers without an Aadhaar number. Please see the attached copies of work demand applications on which members of the administration have written that demand will not be accepted for workers without Aadhaar.

There are similar reports of refusal of work to workers without Aadhaar from across Jharkhand, and also from other states.

We request you to include this submission as evidence of denial of people's rights for want of an Aadhaar number in the matter of Aruna Roy v. Union of India Writ Petition (Civil) No. 833 of 2013.

AFFIDAVIT

I, Medha Ramji, d/o Dr Siddarth Ramji, aged 21 years, R/o DII/322, Pandara Road, New Delhi 110003, presently residing at Room No. 236, Ladies Hostel 1, University of Hyderabad, Gachibowli, Hyderabad - 500046 do hereby solemnly affirm and state on oath as under:

1. I say that I am deposing in this affidavit after having been denied the right to enrol for a Voter ID Card because I am not enrolled for an Aadhaar Number. The facts leading to the denial of being enrolled as a voter are set out herein below. I have been permitted by the Petitioner in the present case to file the present affidavit before this Hon'ble Court to bring certain limited facts of this Hon'ble Court.

2. I say that on July 21, 2015 I went to the Voter Registration and EPIC Centre at 13/2 Jam Nagar House, New Delhi 110 011 (Centre 40-New Delhi) to submit my application for enrolling for a Voter ID. I had copies of my Passport and Driver's Licence as documents to establish my identity to submit along with the application; and I had carried the originals in case the officer needed to check the documents. The documents that I was carrying in support of my application to prove my identity, address, and citizenship were in accordance with the law.
3. I say that at the receiving counter, I was informed by the official collecting the forms at the counter that I needed to take along with an electricity bill and an NOC from my father; and he also said that my application could not be accepted without an Aadhaar Number or EID Number. I informed him that I did not have an aadhaar number, at which the officer told me that I should go to an Enrolment Centre which is in the same campus, enrol and enter the EID (Enrolment ID) in my form. It was clarified that without EID or Aadhaar number, application form would simply not be accepted.
4. I say that I informed the officer that I did not wish to be enrolled on the Aadhaar data base, but he candidly insisted that the application could not be accepted without the EID or Aadhaar number, that is, without my entering the Aadhaar data base.

However, the officer said that regardless of the directions of the Supreme Court, my marriage certificate could be given only if Aadhar card was procured by me and my wife.

4. I say that even though we weren't remotely interested in enrolling ourselves for an Aadhaar card, since I had no other option but to comply with the formalities dictated by the above mentioned officer, my wife and me were forced to obtain an Aadhaar card. We therefore, approached an enrolment centre and with our enrolment IDs in hand on March 21, 2015 approached the marriage registration office and received our Marriage Certificate. Ultimately, however, the Marriage Certificate received by us, had our names misspelled in it, which when we pointed out to the authorities, were very casual in their approach towards this mistake made by them.

I say that my wife and me were unnecessarily harassed for obtaining a marriage certificate which ordinarily takes not more than 2 hours and instead were kept waiting for 2 days and forced to enrol ourselves in the Aadhaar database, which we never intended to in the first place. Therefore, since my

Aadhaar matter being subjudice before the Hon'ble Supreme Court therefore, I never intended to enrol myself in to the Aadhaar database, till a decision on its validity was given. However, due to unavoidable circumstances not only was I enrolled with the Aadhaar database, but I was also forced to link my Aadhaar number with my other identification cards.

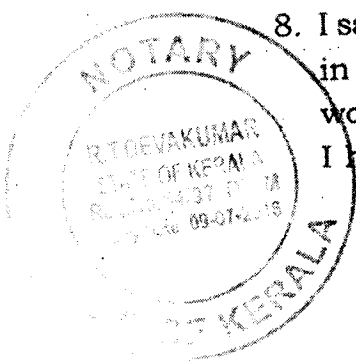

3. I say that one day sometime in early 2014 I received a call for a biometric enrolment with the National Population Registry, and it was touted as being compulsory. Thus, I had no other option but to register myself. However, to my surprise after a couple of weeks, I received an Aadhaar card in the post, complete with a photograph, although I had not applied for it. At the time I just stored my Aadhaar card away, and never bothered to use it in any way, since I already had an election ID and PAN card for the purposes of authenticating my identification.
4. I say that in the month of April 2015, I went to my gas agency i.e. Asok Gas Agency, Kannammoola, Trivandrum, and asked them for refill my cylinder. However, they informed me that I first needed to fill in a form mentioning my Aadhar numbers so as to entitle me for the LPG subsidy. I insisted on the non-Aadhar form instead. I was then asked to take a copy of the form to my Bank as well.
5. I say that when I went to my bank i.e. SBI, Technovalley Branch, Trivandrum, with the LPG Form, I was informed by the Bank official that I had to link my savings bank account to Aadhaar number for crediting my LPG subsidy. I insisted that I was opting for the subsidy through the non-Aadhaar option. Hearing my request, I was directed to the Manager's cabin. The Manager then informed me that without an Aadhaar card, I would not be entitled to get the LPG subsidy and that their computers did

not have a provision to provide for a non-Aadhaar option. Since I was adamant not to link my Aadhaar number with my Bank Account I had no option but to leave. I was therefore effectively denied an LPG subsidy that I am otherwise entitled to receive, since I am not willing to link my Aadhaar card with my Bank Account.

6. I say that, however, I am currently receiving the LPG subsidy. I am not sure what exactly transpired between the LPG agency and SBI in order to facilitate the credit of the LPG subsidy to my bank account. I say that on May 4th, 2015 I was credited my first ever subsidy into my SBI account when they confirmed my gas refill booking, although I have still not given the gas agency or my bank my Aadhaar number. Further, in my refill bookings through May and June 2015, I have been credited subsidies again.
7. I say that thereafter in the Month of May 2015 I encountered another problem in connection with renewing my ration card. There was an announcement made earlier by the Government that the ration card would now have to be changed, to be made in the name of the woman of the house. At the time I refrained from getting the new ration card, since it insisted on an Aadhaar card as being the only proof of identity. A detailed list of things one otherwise needs to produce while applying for a ration card is the water/electricity/phone connection details, but at the camp the officials were asking only for the Aadhaar card, so I simply refused to attend.
8. I say that since the ration card is a family document, and required in several instances in public life, and on account of being the woman of the house in whose name the card would be admitted, I had to think of occasions when my children would need the

ration card for an opportunity connected with their future. So at the third call for the photo taking for the ration card held now at the my City Rationing Office Regional level, in May 2015, I had no other option but to participate and produced my ration card and Aadhaar card, and get myself photographed. Thus, my identification details including my biometric information is now available in the Aadhaar database and linked to my ration card, without my actually wanting to do this.

9. I say that I have absolutely no interest in continuing with the Aadhaar database and would plead for my information contained in the same to be destroyed. I also say that making the condition of linking the Aadhaar card mandatory to avail benefits and other identity cards is contrary to the orders passed by the Hon'ble Supreme Court.

1. I have been permitted by the Petitioner in the present case to file and provide the present affidavit before this Hon'ble Court to bring certain limited facts of this Hon'ble Court, in support of the Writ Petition and prayer for interim relief.
2. I am associated with a help centre for workers employed under the National Rural Employment Guarantee Act (NREGA), located in the Block Office compound in Manika Block, Latehar District, Jharkhand. This help centre, managed by local volunteers under the guidance of James Herenj, was created in 2010 with the full support of the district administration.
3. During the last few months, it has come to the help centre's attention that local functionaries, and specifically Gram Rozgar Sevaks (GRS), are refusing applications for work from NREGA workers who do not have a UID number.
4. In several cases, the concerned GRS agreed to state in writing that they would accept work applications only from NREGA workers who have a UID number. A sample of these statements, with signature of the concerned GRS, is attached (**Annexure 1**).
5. The refusal to accept work applications without UID is a clear violations of earlier orders of the Hon'ble Court, including its order of March 2014 stating that "no person shall be deprived of any service for want of Aadhaar number in case he/she is otherwise eligible/entitled".
